November’s MEA activity is a Service Project!

We will be collecting and donating supplies to schools in Utah County. Our aim is to provide basic supplies and student white boards for the classrooms. The supplies we are focusing on with our respective goals are:

- White board markers/white board crayons-- 10 packs
- Kleenex --30 boxes
- pencils -- 30 packs
- Money-- $300

Please start thinking about and collecting what you would like donate, whether it is supplies or money, BOTH ARE NEEDED!
